and FY 13]

- END -

Explanation - This amendment restores \$9,606,510 federal low income energy assistance (LIEAP) authority over the biennium to the Human and Community Services Division to ensure adequate authority exists to provide services at the 2011 level.

The funding supports the department's estimated federal funding for the biennium and would serve an additional 12,600 families each year of the biennium with home heating costs.
